NOTES TO PURCHASERS OF FIRST-HAND RESIDENTIAL PROPERTIES

一手住宅物業買家須知

You are advised to take the following steps before purchasing first-hand residential properties.

For all first-hand residential properties

1. Important information

- Make reference to the materials available on the Sales of First-hand Residential Properties Electronic Platform (SRPE) (www.srpe.gov.hk) on the first-hand residential property market.
- Study the information on the website designated by the vendor for the development, including the sales brochure, price lists, documents containing the sales arrangements, and the register of transactions of a development.
- Sales brochure for a development will be made available to the general public at least 7 days immediately before a date of sale while price list and sales arrangements will be made available at least 3 days immediately before the date of sale.
- Information on transactions can be found on the register of transactions on the website designated by the vendor for the development and the SRPE.

2. Fees, mortgage loan and property price

- Calculate the total expenses of the purchase, such as solicitors' fees, mortgage charges, insurance fees and stamp duties.
- Check with banks to find out if you will be able to obtain the needed mortgage loan, select the appropriate payment method and calculate the amount of the mortgage loan to ensure it is within your repayment ability.
- Check recent transaction prices of comparable properties for comparison.
- Check with the vendor or the estate agent the estimated management fee, the amount of management fee payable in advance (if any), special fund payable (if any), the amount of reimbursement of the deposits for water, electricity and gas (if any), and/or the amount of debris removal fee (if any) you have to pay to the vendor or the manager of the development.

3. Price list, payment terms and other financial incentives

- Vendors may not offer to sell all the residential properties that are covered in a price list. To know which residential properties the vendors may offer to sell, pay attention to the sales arrangements which will be announced by the vendors at least 3 days before the relevant residential properties are offered to be sold.
- Pay attention to the terms of payment as set out in a price list. If there are discounts on the price, gift, or any financial advantage or benefit to be made available in connection with the purchase of the residential properties, such information will also be set out in the price list.
- If you intend to opt for any mortgage loan plans offered by financial institutions specified by the vendor, before entering into a preliminary agreement for sale and purchase (PASP), you must study the details of various mortgage loan plans¹ as set out in the price list concerned. If you have any questions about these mortgage loan plans, you should check with the financial institutions concerned direct before entering into a PASP.

4. Property area and its surroundings

- Pay attention to the area information in the sales brochure and price list, and price per square foot/metre in the price list. According to the Residential Properties (First-hand Sales) Ordinance (Cap. 621) (the Ordinance), vendors can only present the area and price per square foot and per square metre of a residential property using saleable area. Saleable area, in relation to a residential property, means the floor area of the residential property, and includes the floor area of every one of the following to the extent that it forms part of the residential property - (i) a balcony; (ii) a utility platform; and (iii) a verandah. The saleable area

excludes the area of the following which forms part of the residential property - air-conditioning plant room; bay window; cockloft; flat roof; garden; parking space; roof; stairhood; terrace and yard.

- Floor plans of all residential properties in the development have to be shown in the sales brochure. In a sales brochure, floor plans of residential properties in the development must state the external and internal dimensions of each residential property². The external and internal dimensions of residential properties as provided in the sales brochure exclude plaster and finishes. You are advised to note this if you want to buy furniture before handing over of the residential property.
- Visit the development site and get to know the surroundings of the property (including transportation and community facilities). Check town planning proposals and decisions which may affect the property. Take a look at the location plan, aerial photograph, outline zoning plan and cross-section plan that are provided in the sales brochure.

5. Sales brochure

- Ensure that the sales brochure obtained is the latest version. According to the Ordinance, the sales brochure made available to the public should be printed or examined, or examined and revised within the previous 3 months.
- In respect of an uncompleted development, the vendor may alter the building plans (if any) whenever the vendor considers necessary. To know the latest information of an uncompleted development, keep paying attention to any revised sales brochures made available by the vendor.
- Read through the sales brochure and in particular, check the following information in the sales brochure -
 - whether there is a section on “relevant information” in the sales brochure, under which information on any matter that is known to the vendor but is not known to the general public, and is likely to materially affect the enjoyment of a residential property will be set out. Please note that information contained in a document that has been registered with the Land Registry will not be regarded as “relevant information”;
 - the cross-section plan showing a cross-section of the building in relation to every street adjacent to the building, and the level of every such street in relation to a known datum and to the level of the lowest residential floor of the building. This will help you visualize the difference in height between the lowest residential floor of a building and the street level, regardless of how that lowest residential floor is named;
 - interior and exterior fittings and finishes and appliances;
 - the basis on which management fees are shared;
 - whether individual owners have obligations or need to share the expenses for managing, operating and maintaining the public open space or public facilities inside or outside the development, and the location of the public open space or public facilities; and
 - whether individual owners have responsibility to maintain slopes.

6. Government land grant and deed of mutual covenant (DMC)

- Read the Government land grant and the DMC (or the draft DMC). Information such as ownership of the rooftop and external walls can be found in the DMC. The vendor will provide copies of the Government land grant and the DMC (or the draft DMC) at the place where the sale is to take place for free inspection by prospective purchasers.

¹ The details of various mortgage loan plans include the requirements for mortgagors on minimum income level, the loan limit under the first mortgage and second mortgage, the maximum loan repayment period, the change of mortgage interest rate throughout the entire repayment period, and the payment of administrative fees.

² According to section 10(2)(d) in Part 1 of Schedule 1 to the Ordinance, each of the floor plans of the residential properties in the development in the sales brochure must state the following—

- (i) the external dimensions of each residential property;
- (ii) the internal dimensions of each residential property;
- (iii) the thickness of the internal partitions of each residential property;
- (iv) the external dimensions of individual compartments in each residential property.

According to section 10(3) in Part 1 of Schedule 1 to the Ordinance, if any information required by section 10(2)(d) in Part 1 of Schedule 1 to the Ordinance is provided in the approved building plans for the development, a floor plan must state the information as so provided.

NOTES TO PURCHASERS OF FIRST-HAND RESIDENTIAL PROPERTIES

一手住宅物業買家須知

- Check the Government land grant on whether individual owners are liable to pay Government rent.
- Check the DMC on whether animals can be kept in the residential property.

7. Information on Availability of Residential Properties for Selection at Sales Office

- Check with the vendor which residential properties are available for selection. If a “consumption table” is displayed by the vendor at the sales office, you may check from the table information on the progress of sale on a date of sale, including which residential properties are offered for sale at the beginning of that date of sale and which of them have been selected and sold during that date of sale.
- Do not believe in rumours about the sales condition of the development and enter into a PASP rashly.

8. Register of Transactions

- Pay attention to the register of transactions for a development. A vendor must, within 24 hours after entering into a PASP with a purchaser, enter transaction information of the PASP in the register of transactions. The vendor must, within 1 working day after entering into an agreement for sale and purchase (ASP), enter transaction information of the ASP in the register of transactions. Check the register of transactions for the concerned development to learn more about the sales condition of the development.
- Never take the number of registrations of intent or cashier orders a vendor has received for the purpose of registration as an indicator of the sales volume of a development. The register of transactions for a development is the most reliable source of information from which members of the public can grasp the daily sales condition of the development.

9. Agreement for sale and purchase

- Ensure that the PASP and ASP include the mandatory provisions as required by the Ordinance.
- Pay attention that fittings, finishes and appliances to be included in the sale and purchase of the property are inserted in the PASP and ASP.
- Pay attention to the area plan annexed to the ASP which shows the total area which the vendor is selling to you. The total area which the vendor is selling to you is normally greater than the saleable area of the property.
- Pay attention to the vendor’s right to alter the building plans (if any) for an uncompleted development. The mandatory provisions to be incorporated in an ASP for uncompleted development as required by the Ordinance include a provision requiring the vendor to notify the purchaser in writing of such alteration if the same affects in any way the property within 14 days after its having been approved by the Building Authority.
- A preliminary deposit of **5%** of the purchase price is payable by you to the owner (i.e. the seller) on entering into a PASP.
- If you do not execute the ASP within **5 working days** (working day means a day that is not a general holiday or a Saturday or a black rainstorm warning day or gale warning day) after entering into the PASP, the PASP is terminated, the preliminary deposit (i.e. 5% of the purchase price) is forfeited, and the owner (i.e. the seller) does not have any further claim against you for not executing the ASP.
- If you execute the ASP within 5 working days after the signing of the PASP, the owner (i.e. the seller) must execute the ASP within 8 working days after entering into the PASP.
- The deposit should be made payable to the solicitors’ firm responsible for stakeholding purchasers’ payments for the property.

10. Expression of intent of purchasing a residential property

- Note that vendors (including their authorized representative(s)) should not seek or accept any specific or general expression of intent of purchasing any residential property before the relevant price lists for such properties are made available to the public. You therefore should not make such an offer to the vendors or their authorized representative(s).

- Note that vendors (including their authorized representative(s)) should not seek or accept any specific expression of intent of purchasing a particular residential property before the sale of the property has commenced.

11. Appointment of estate agent

- Note that if the vendor has appointed one or more than one estate agents to act in the sale of any specified residential property in the development, the price list for the development must set out the name of all the estate agents so appointed as at the date of printing of the price list.
- You may appoint any estate agent (not necessarily from those estate agency companies appointed by the vendor) to act in the purchase of any specified residential property in the development, and may also not appoint any estate agent to act on your behalf.
- Before you appoint an estate agent to look for a property, you should -
 - find out whether the agent will act on your behalf only. If the agent also acts for the vendor, he/she may not be able to protect your best interests in the event of a conflict of interest;
 - find out whether any commission is payable by you to the estate agent and, if so, its amount and the time of payment; and
 - note that only licensed estate agents or salespersons may accept your appointment. If in doubt, you should request the estate agent or salesperson to produce his/her Estate Agent Card, or check the Licence List on the Estate Agents Authority website: www.eaa.org.hk.

12. Appointment of solicitor

- Consider appointing your own solicitor to protect your interests. If the solicitor also acts for the vendor, he/she may not be able to protect your best interests in the event of a conflict of interest.
- Compare the charges of different solicitors.

For first-hand uncompleted residential properties

13. Pre-sale Consent

- For uncompleted residential property under the Lands Department Consent Scheme, seek confirmation from the vendor whether the “Pre-sale Consent” has been issued by the Lands Department for the development.

14. Show flats

- While the vendor is not required to make any show flat available for viewing by prospective purchasers or the general public, if the vendor wishes to make available show flats of a specified residential property, the vendor must first of all make available an unmodified show flat of that residential property and that, having made available such unmodified show flat, the vendor may then make available a modified show flat of that residential property. In this connection, the vendor is allowed to make available more than one modified show flat of that residential property.
- If you visit the show flats, you should always look at the unmodified show flats for comparison with the modified show flats. That said, the Ordinance does not restrict the discretion of the vendor in arranging the sequence of the viewing of unmodified and modified show flats.
- Sales brochure of the development should have been made available to the public when the show flat is made available for viewing. You are advised to get a copy of the sales brochure and make reference to it when viewing the show flats.
- You may take measurements in modified and unmodified show flats, and take photographs or make video recordings of unmodified show flats, subject to reasonable restriction(s) which may be set by the vendor for ensuring safety of the persons viewing the show flat.

15. Estimated material date and handing over date

- Check the estimated material date³ for the development in the sales brochure.
 - The estimated material date for a development in the sales brochure is not the same as the date on which a residential property is handed over to purchaser. The latter is normally later than the former. However, the handing over date may be earlier than the estimated material date set out in the sales brochure in case of earlier completion of the development.
- Handing over date
 - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision requiring the vendor to apply in writing for an Occupation Document / a Certificate of Compliance or the Director of Lands' Consent to Assign (as the case may be) in respect of the development within 14 days after the estimated material date as stipulated in the ASP.
 - For development subject to the Lands Department Consent Scheme, the vendor is required to notify the purchaser in writing that the vendor is in a position validly to assign the property within one month after the issue of the Certificate of Compliance or the Consent to Assign, whichever first happens; or
 - For development not subject to the Lands Department Consent Scheme, the vendor is required to notify the purchaser in writing that the vendor is in a position validly to assign the property within 6 months after the issue of the Occupation Document including Occupation Permit.
 - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision requiring completion of the sale and purchase within 14 days after the date of the notification aforesaid. Upon completion, the vendor shall arrange handover of the property to the purchaser.
- Authorized Person (AP) may grant extension(s) of time for completion of the development beyond the estimated material date.
 - The mandatory provisions to be incorporated in an ASP as required by the Ordinance include a provision that the AP of a development may grant an extension of time for completion of the development beyond the estimated material date having regard to delays caused exclusively by any one or more of the following reasons:
 - strike or lock-out of workmen;
 - riots or civil commotion;
 - force majeure or Act of God;
 - fire or other accident beyond the vendor's control;
 - war; or
 - inclement weather.
 - The AP may grant more than once such an extension of time depending on the circumstances. That means handover of the property may be delayed.
 - The mandatory provisions to be incorporated in an ASP as required by the Ordinance also include a provision requiring the vendor to, within 14 days after the issue of an extension of time granted by the AP, furnish the purchaser with a copy of the relevant certificate of extension.
- Ask the vendor if there are any questions on handing over date.

For first-hand completed residential properties

16. Vendor's information form

- Ensure that you obtain the "vendor's information form(s)" printed within the previous 3 months in relation to the residential property/properties you intend to purchase.

17. Viewing of property

- Ensure that, before you purchase a residential property, you are arranged to view the residential property that you would like to purchase or, if it is not reasonably practicable to view the property in question, a comparable property in the development, unless you agree in writing that the vendor is not required to arrange such a comparable property for viewing for you. You are advised to think carefully before signing any waiver.
- You may take measurements, take photographs or make video recordings of the property, unless the property is held under a tenancy or reasonable restriction(s) is/are needed to ensure safety of the persons viewing the property.

- 切勿隨便相信有關發展項目銷情的傳言，倉卒簽立臨時買賣合約。

8. 成交紀錄冊

- 留意發展項目的成交紀錄冊。賣方須於臨時買賣合約訂立後的24小時內，於紀錄冊披露該臨時買賣合約的資料，以及於買賣合約訂立後一個工作天內，披露該買賣合約的資料。您可透過成交紀錄冊得悉發展項目的銷售情況。
- 切勿將賣方接獲用作登記的購樓意向書或本票的數目視為銷情指標。發展項目的成交紀錄冊才是讓公眾掌握發展項目每日銷售情況的最可靠資料來源。

9. 買賣合約

- 確保臨時買賣合約和買賣合約包含條例所規定的強制性條文。
- 留意有關物業買賣交易所包括的裝置、裝修物料和設備，須在臨時買賣合約和買賣合約上列明。

- 留意賣方有權改動未落成發展項目的建築圖則（如有的話）。如屬未落成發展項目，條例規定物業的買賣合約須載有強制性條文，列明如有關改動在任何方面對該物業造成影響，賣方須在改動獲建築事務監督批准後的14日內，將該項改動以書面通知買家。
- 訂立臨時買賣合約時，您須向擁有人（即賣方）支付樓價**5%**的臨時訂金。

- 在訂立臨時買賣合約後的五個工作日之內，倘您簽立買賣合約，則擁有人（即賣方）必須在訂立該臨時買賣合約後的八個工作日之內簽立買賣合約。
- 有關的訂金，應付予負責為所涉物業擔任保證金保存人的律師事務所。

10. 表達購樓意向

- 留意在賣方（包括其獲授權代表）就有關住宅物業向公眾提供價單前，賣方不得尋求或接納任何對有關住宅物業的購樓意向（不論是否屬明確選擇購樓意向）。因此您不應向賣方或其授權代表提出有關意向。
- 留意在有關住宅物業的銷售開始前，賣方（包括其獲授權代表）不得尋求或接納任何對該物業的有明確選擇購樓意向。因此您不應向賣方或其授權代表提出有關意向。

11. 委託地產代理

- 留意倘賣方委任一個或多於一個地產代理，以協助銷售其發展項目內任何指明住宅物業，該發展項目的價單必須列明在價單印刷日期當日所有獲委任為地產代理的姓名 / 名稱。
- 您可委託任何地產代理（不一定是賣方所指定的地產代理），以協助您購置發展項目內任何指明住宅物業；您亦可不委託任何地產代理。
- 委託地產代理以物色物業前，您應該 —
 - 了解該地產代理是否只代表您行事。該地產代理若同時代表賣方行事，倘發生利益衝突，未必能夠保障您的最大利益；
 - 了解您須否支付佣金予該地產代理。若須支付，有關的佣金金額和支付日期為何；以及
 - 留意只有持牌地產代理或營業員才可以接受您的委託。如有疑問，應要求該地產代理或營業員出示其「地產代理證」，或瀏覽地產代理監管局的網頁（網址：www.eaa.org.hk），查閱牌照目錄。

12. 委聘律師

- 考慮自行委聘律師，以保障您的利益。該律師若同時代表賣方行事，倘發生利益衝突，未必能夠保障您的最大利益。
- 比較不同律師的收費。

適用於一手未落成住宅物業

13. 預售樓花同意書

- 洽購地政總署「預售樓花同意方案」下的未落成住宅物業時，應向賣方確認地政總署是否已就該發展項目批出「預售樓花同意書」。

14. 示範單位

- 賣方不一定須設置示範單位供準買家或公眾參觀，但賣方如為某指明住宅物業設置示範單位，必須首先設置該住宅物業的無改動示範單位，才可設置該住宅物業的經改動示範單位，並可以就該住宅物業設置多於一個經改動示範單位。
- 參觀示範單位時，務必視察無改動示範單位，以便與經改動示範單位作出比較。然而，條例並沒有限制賣方安排參觀無改動示範單位及經改動示範單位的先後次序。
- 賣方設置示範單位供公眾參觀時，應已提供有關發展項目的售樓說明書。因此，緊記先行索取售樓說明書，以便在參觀示範單位時參閱相關資料。
- 您可以在無改動示範單位及經改動示範單位中進行量度，並在無改動示範單位內拍照或拍攝影片，惟在確保示範單位參觀者人身安全的前提下，賣方可能會設定合理的限制。

一手住宅物業買家須知

適用於一手未落成住宅物業及尚待符合條件的已落成住宅物業

15. 預計關鍵日期及收樓日期

- 查閱售樓說明書中有關發展項目的預計關鍵日期³。
 - 售樓說明書中有關發展項目的預計關鍵日期並不同買家的「收樓日期」。買買家的「收樓日期」一般會較發展項目的預計關鍵日期遲。然而，假若發展項目比預期早落成，「收樓日期」可能會較售樓說明書列出的預計關鍵日期為早。
- 收樓日期
 - 條例規定買賣合約須載有強制性條文，列明賣方須於買賣合約內列出的預計關鍵日期後的14日內，以書面為發展項目申請佔用文件、合格證明書，或地政總署署長的轉讓同意（視屬何種情況而定）。
 - 如發展項目屬地政總署預售樓花同意方案所規管，賣方須在合格證明書或地政總署署長的轉讓同意發出後的一個月內（以較早者為準），就賣方有能力有效地轉讓有關物業一事，以書面通知買家；或
